PREFACE

TransAction Florida was formed in 2014 by Equality Florida, the state's largest LGBT advocacy organization for the purpose of developing a statewide transgender inclusion initiative. This initiative was launched with three broad objectives: To educate Florida's major employers on effective transgender inclusion protocol, to advocate for the trans community in a broader and more structured way, and to be an integral part of all public policy that involved transgender rights. To achieve these, and even broader goals across the Sunshine State, we formed TransAction Florida, which consists of transgender community leaders from all parts of our state.

The need for quality health care and service providers for the transgender community has never been more in demand. Our community is emerging in rapid numbers, spanning all age groups. The Transgender Resource Guide has been developed to provide a directory of quality trans-friendly service providers from across the state. Our goal is that this will be a living resource guide which will be updated regularly and that we will add necessary resources as the needs of our community continue to grow.

Gina L. Duncan

Equality Florida, Transgender Inclusion Director

Dear Reader,

With the staggering rates of suicide, violence, and discrimination that the transgender community encounters, please know that *YOU DON'T HAVE TO DO THIS ALONE.*

You are an amazing, talented, and important member of the community and the world, even if people don't tell you that often enough.

It is my hope that this guide offers you supportive resources to help you express who you are and thrive being the person you want to be.

No one said it would be easy, but if anyone can do it, you can.
I wish you all the happiness, love, light and success on your journey and throughout your lifetime.

ORIGINAL INQUIRY:

Hello, I am currently in the process of going from Male to Female, I have been looking for information in writing that clearly indicates the requirements for having my gender marker changed once the name change has been done. There seems to be a lot of information on the web, but none of it is clear on do you need a letter from the doctor who is supervising your hormones. to it can only be done once Sexual reassignment surgery has taken place. I have seen that you do not need SRS and a letter indicating that your birth certificate was changed. If so with that, what can you do when the state where you were born only changes the birth certificate after SRS. it seems to be a bit confusing and you tend to get different answers when you call this is why I would like to have in writing what is the clear expectation of the state to me the requirements of the state. Thank you for your time in this matter.

Warmly, Morgan

MY QUESTION IS ABOUT IF YOU HAVE NOT HAD SEXUAL REASSIGNMENT SURGERY My question is prior to SRS to change the Drivers License to have FEMALE put on it, what are the requirements? I understand step one is to legally change my name Step two is to change your SSN what are the next steps to change the gender marker without having SRS?

If you want a change of name because of a dissolution of marriage, paternity, or adoption action that is not yet final, the change of name should be requested as part of that case.

This form should be typed or printed in black ink and must be signed before a **notary public or deputy clerk**. You should **file** the original with the **clerk of the circuit court** in the county where you live and keep a copy for your records. The petition should only be completed for one adult. If you wish to change the name(s) of another adult and/or any child(ren), you should complete and file with the clerk of court the attached Supplemental Form(s) for Petition for Change of Name (Family) for each additional family member. **Be sure that the bottom of each page of each supplemental form is initialed.**

What should I do next?

Unless you are seeking to restore a former name, each adult petitioner must have fingerprints submitted for a state and national criminal history records check. The fingerprints must be taken in a manner approved by the Department of Law Enforcement and must be submitted to the Department for a state and national criminal history records check. **You may not request a hearing on the petition until the clerk of court has received the results of your criminal history records check.** The clerk of court can instruct you on the process for having the fingerprints taken and submitted, including information on law enforcement agencies or service providers authorized to submit finger prints electronically to the Department of Law Enforcement. The process may take several weeks and you will have to pay for the cost of processing the fingerprints and conducting the state and national criminal history records check.

If any of the children for whom you are requesting this change of name are not the legal children of both adults filing this petition, you must obtain the consent of the legal parent(s). A parent not named as a **petitioner** in this action may consent by submitting a **Consent for Change of Name (Minor Child(ren))**, Florida Supreme Court Approved Family Law Form 12.982(d).

If the other parent does not consent to the change of name, you may still have a **hearing** on the **petition** if you have properly notified the other parent about your petition and the hearing. If you know where he or she lives, you must use **personal service**. If you absolutely do not know where he or she lives, you may use **constructive service**. For more information about personal and constructive service, you should refer to the “**General Instructions for Self-Represented Litigants**” found at the beginning of these forms and the instructions to Florida Family Law Rules of Procedure Forms 12.910(a) and 12.913(b) and Florida Supreme Court Approved Family Law Form 12.913(a). The law on constructive service is very complex and you may wish to consult an attorney regarding constructive service.

Next, you must obtain a **final hearing** date for the court to consider your request. If you are seeking to restore a former name, hearing on the petition **MAY** be held immediately after the petition is filed. The final hearing on any other petition for a name change may be held immediately after the clerk of court receives the results of your criminal history records check. You should ask the clerk of court, **family law intake staff**, or **judicial assistant** about the local procedure for setting a hearing. You may be required to attend the hearing. Included in these forms is a **Final Judgment of Change of Name (Family)**, Florida Supreme Court Approved Family Law Form 12.982(g), which may be used when a judge grants a change of name for a family. If you attend the hearing, you should take the **final judgment** form with you. You should complete the top part of this form, including the circuit, county, case number, division, the name(s) of the petitioner(s) and leave the rest blank for the judge to complete. It should be typed or printed in black ink.

If the judge grants your petition, he or she will sign this **order**. This officially changes your family's name. The clerk can provide you with **certified copies** of the signed order. There will be charges for the certified copies, and the clerk can tell you the amount of the charges.

Special notes...

The heading of the form calls for the name(s) of the **petitioner(s)**. This is (are) the parent(s) who is/are requesting the change of their family's name(s). The judicial circuit, case number, and division may be obtained from the clerk of court's office when you file the petition.

It may be helpful to compile a list of all of the people and places that will need a copy of the final judgment. This list may include the driver's license office, social security office, banks, schools, etc. A list will help you know how many copies of your order you should get from the clerk of court after your hearing.

Remember, a person who is NOT an attorney is called a nonlawyer. If a nonlawyer helps you fill out these forms, that person must give you a copy of a **Disclosure from Nonlawyer**, Florida Family Law Rules of Procedure Form 12.900(a), before he or she helps you. A nonlawyer helping you fill out these forms also **must** put his or her name, address, and telephone number on the bottom of the last page of every form he or she helps you complete.
