

EQUALITY[®]
FLORIDA

STYLE **GUIDE** 2021

CORE RULES

The preferred format for Equality Florida and our programs is landscape. Stacked formats may be used whenever needed. Use grayscale logos only when the output media requires it.

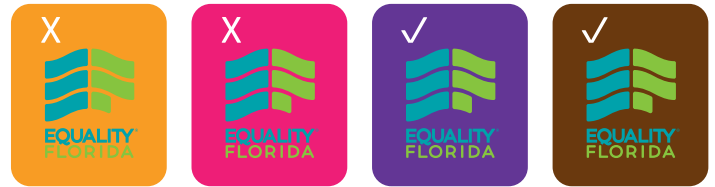

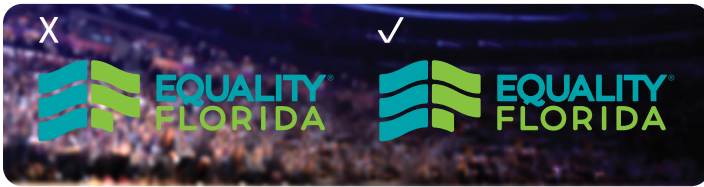

Primary = Landscape

Secondary = Stacked

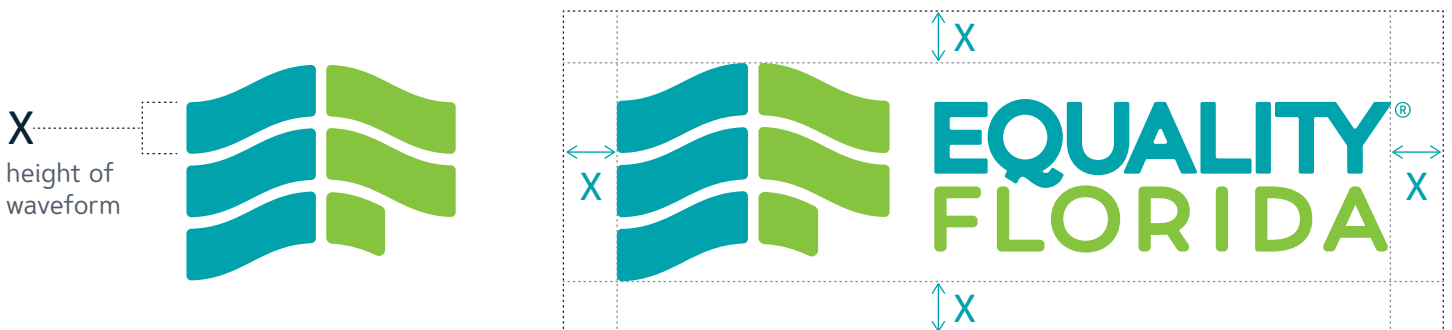

Use on image areas that are darker and free of distraction

Use on darker colors that compliment and enhance

CLEAR SPACE

The area surrounding any Equality Florida logo requires a minimum amount of clear space. This measurement is defined by X. This area should not be encroached upon by any graphic element including the edge of a design be it physical or digital.
